Customer Deposit Agreement

Security deposits for public service districts -- All new applicants for residential or other sewer service from a public service district shall make a deposit of (i) fifty dollars (\$50.00), or (ii) two-twelfths (2/12) of the annual estimated charge for sewer service (\$85.00), whichever is greater, with the district to secure the payment of sewer service rates and charges. The district shall not be bound to supply sewer service until this condition is fulfilled. In any case where a deposit is forfeited to pay service rates and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another deposit, as described above, has been remitted to the district.

Return of deposit to customers who are not tenants -- After a customer who is not a tenant has paid bills for service for twelve (12) consecutive months without a delinquency; the utility shall promptly and automatically refund the deposit plus accrued interest. Calculation of the above twelve (12) months' period shall commence from the first regular payment or following the payment of a delinquent bill or bills.

Return of deposit by district to a customer who is a tenant -- A district is not required to return a deposit to a customer who is a tenant until the time the tenant discontinues service with the district. After a customer who is a tenant discontinues service with the district, the utility shall promptly and automatically refund the deposit plus accrued interest.
