Spouse's Employer _____ Work # _____

The WV PSC has authorized the District to collect security deposits from new customers as well as additional deposits from delinquent accounts as is deemed necessary. The District therefore requires a \$85.00 security deposit for sewer service which will be payable when service is requested. This deposit will be refunded in accordance with the Rules and Regulations of the WV PSC after the homeowner has paid twelve consecutive months of service charges in a timely manner. Renters will have their deposit refunded after termination of service and the final bill has been paid in full. Past due accounts will result in re-evaluation of the security period of an additional twelve months.

Rate - Customer Charge \$22.25 per month plus Commodity Charge \$7.26 per 1,000 gallons of water used.

You must notify Elk Valley PSD if you do not receive your bill or of any changes made to your account.

In Witness Whereof, all above answers are true and correct on this application.
